## CRAFTS

### CROCHETING- Beginner

Crochet is a beautiful craft that has been around for centuries. A fun, relaxing, and some might say meditative activity, you can create handmade hats, scarves, shawls, blankets, toys, and more, with just a hook and some yarn. This introductory course is designed for beginners with little to no previous experience; you will learn about different yarns and hooks, basic stitches and techniques, how to crochet in rows and “in the round,” how to read patterns and where to find them. As we progress, we will learn some simple stitch combinations and other crochet techniques. A \$10 material fee includes a 5mm crochet hook, tapestry needle, and practice yarn, provided at first class.

Tunisian crochet stitches and fabrics can look considerably different from regular crochet, and it is a great way to expand into unique options beyond conventional crochet. We will learn a variety of different Tunisian stitches and techniques. Students in this course should already be comfortable with basic crochet techniques; if you are new to the craft, we recommend starting with Beginning Crochet. There is a \$10 material fee for a 12" Tunisian/afghan hook, provided at first class. Please bring some #4/worsted practice yarn to class.
