### SCHOOL CLOSINGS/INCLEMENT WEATHER

Instructors will notify students at the first class of all scheduled meeting dates of the course. No adult ed. classes will meet if the public schools are closed due to holidays, vacations or inclement weather. In most cases, if there is a delayed opening the Community School will be open. Classes closed due to bad weather will be made up, if possible, by adding an extra session at the end of the term or by other means agreeable to students and teacher.
